

ADDENDUM #2

RFA-2017-DHHS-DPHS-09-FAMIL

On April 22, 2016, the Department of Health and Human Services published a Request for Applications for a Family Planning Medical Consultant to provide family planning medical consultation on a statewide basis and act as a representative of the Family Planning Program to the New Hampshire family planning medical community by providing professional medical guidance for the clinical orientation of the program.

The Department is publishing this addendum to:

1. Delete and replace Section 3. Application Process, Subsection 3.2 Application Submission Deadline, Paragraph 3.2.1. to read:

3.2.1. All applications must be submitted to:
